CLASS FEATURES

Spellcasting (1)

Spell Slots You regain all expended slots when you finish a Long Rest.
Changing Your Prepared Spells Whenever you finish a Long Rest, you can replace one spell on your list with another Paladin spell for which you have spell slots.
Spellcasting Ability Charisma is your spellcasting ability for your Ranger spells.
Spellcasting Focus You can use a Holy Symbol as a Spellcasting Focus for your Paladin spells.

Lay on Hands (1)

You have a pool of healing power that replenishes when you finish a Long Rest.
As a Bonus Action, you can touch a creature and draw power from the pool of healing to restore a number of Hit Points to that creature.
You can also expend 5 Hit Points from the pool of healing power to remove the Poisoned condition from the creature; those points don't also restore Hit Points to the creature.

Weapon Mastery (1)

Your training with weapons allows you to use the mastery properties of two kinds of weapons of your choice with which you have proficiency. Whenever you finish a Long Rest, you can change the kinds of weapons you chose.

(2)

Paladin's Smite (2)

You always have the *Divine Smite* spell prepared. In addition, you can cast it without expending a spell slot, but you must finish a Long Rest before you can cast it in this way again.

Channel Divinity (3)

Each time you use this class's Channel Divinity, you choose which effect from this class to create.
You regain one use when you finish a Short Rest, and you regain all uses when you finish a Long Rest. If a Channel Divinity effect requires a saving throw, the DC equals the spell save DC from this class's Spellcasting feature.

Divine Sense As a Bonus Action, you can open your awareness to detect Celestials, Fiends, and Undead. For the next 10 minutes or until you have the Incapacitated condition, you know the location of any creature of those types within 60 feet of yourself, and you know its creature type. Within the same radius, you also detect the presence of any place or object that has been consecrated or desecrated, as with the Hallow spell.

Peerless Athlete As a Bonus Action, augment your athleticism. For 1 hour, you have Advantage on Strength (Athletics) and Dexterity (Acrobatics) checks, and the distance of your Long and High Jumps increases by 10 feet (this extra distance costs movement as normal).

Inspiring Smite (3)

Immediately after you cast Divine Smite, you can expend one use of your Channel Divinity and distribute Temporary Hit Points to creatures of your choice within 30 feet of yourself, which can include you. The total number of Temporary Hit Points equals 2d8 plus your Paladin level, divided among the chosen creatures however you like.

(4)

Extra Attack (5)

You can attack twice instead of once whenever you take the Attack action on your turn.

Faithful Steed (5)

You always have the *Find Steed* spell prepared. You can cast the spell once without expending a spell slot, and you regain the ability to do so when you finish a Long Rest.

Aura of Protection (6)

You radiate a protective, unseeable aura in a 10-foot Emanation that originates from you. The aura is inactive while you have the Incapacitated condition. You and your allies in the aura gain a bonus to saving throws equal to your Charisma modifier (minimum bonus of +1).

Aura of Alacrity (7)

Whenever an ally enters your Aura of Protection for the first time on a turn or starts their turn there, the ally's Speed increases by 10 feet until the end of their next turn.
