Telepathic

Telepathic Utterance. You can speak telepathically to any creature you can see within 60 feet of yourself. Your telepathic utterances are in a language you know, and the creature understands you only if it knows that language. Your communication doesn't give the creature the ability to respond to you telepathically.

Detect Thoughts. You always have the Detect Thoughts spell prepared. You can cast it without a spell slot or spell components, and you must finish a Long Rest before you can cast it in this way again. You can also cast it using spell slots you have of the appropriate level. Your spellcasting ability for the spell is the ability increased by this feat.

Intelligent undead are harder to control in this way. If the target has an Intelligence of 8 or higher, it has advantage on the saving throw. If it fails the saving throw and has an Intelligence of 12 or higher, it can repeat the saving throw at the end of every hour until it succeeds and breaks free.

Your Hit Point maximum increases by an amount equal to twice your character level when you gain this feat. Whenever you gain a character level thereafter, your Hit Point maximum increases by an additional 2 Hit Points.
