WEAPON MASTERY

Weapon Mastery (1)

Your training with weapons allows you to use the mastery properties of two kinds of weapons of your choice with which you have proficiency. Whenever you finish a Long Rest, you can change the kinds of weapons you chose.

Push

If you hit a creature with this weapon, you can push the creature up to 10 feet straight away from yourself if it is Large or smaller.

RACE AND BACKGROUND

Languages

Common, Dwarvish, Draconic

Tools

Dice

Weapons and Armour

All weapons, All armour, Shields.

Racial Features

Darkvision (120ft)
Dwarven Resilience You have Resistance to Poison damage. You also have Advantage on saving throws you make to avoid or end the Poisoned condition.
Dwarven Toughness Your Hit Point maximum increases by 1, and it increases by 1 again whenever you gain a level.
Stonecunning As a Bonus Action, you gain Tremorsense with a range of 60 feet for 10 minutes. You must be on a stone surface or touching a stone surface to use this Tremorsense. The stone can be natural or worked.
You can use this Bonus Action a number of times equal to your Proficiency Bonus, and you regain all expended uses when you finish a Long Rest.

Alert

Immediately after you roll Initiative, you can swap your Initiative with the Initiative of one willing ally in the same combat. You can't make this swap if you or the ally has the Incapacitated condition.

PERSONAL INFORMATION

Backstory

The clan of Flameforge is known for there Smiths, I wanted to follow in my father's footsteps but my allergy to precious metals made it impossible. I must find another way to bring glory to my clan, no matter the cost.

CLASS FEATURES

Spellcasting (1)

Changing Your Prepared Spells Whenever you finish a Long Rest, you can replace one spell on your list with another Paladin spell for which you have spell slots.
Spellcasting Ability Charisma is your spellcasting ability for your Paladin spells.
Spellcasting Focus You can use a Holy Symbol as a Spellcasting Focus for your Paladin spells.

Lay on Hands (1)

Your blessed touch can heal wounds. You have a pool of healing power that replenishes when you finish a Long Rest. With that pool, you can restore a total number of Hit Points equal to five times your Paladin level.

As a Bonus Action, you can touch a creature (which could be yourself) and draw power from the pool of healing to restore a number of Hit Points to that creature, up to the maximum amount remaining in the pool.

You can also expend 5 Hit Points from the pool of healing power to remove the Poisoned condition from the creature; those points don't also restore Hit Points to the creature.

Paladin's Smite (2)

You always have the *Divine Smite* spell prepared. In addition, you can cast it without expending a spell slot, but you must finish a Long Rest before you can cast it in this way again.

Channel Divinity (3)

You can channel divine energy directly from the Outer Planes, using it to fuel magical effects. You start with one such effect: Divine Sense, which is described below. Other Paladin features give additional Channel Divinity effect options. Each time you use this class's Channel Divinity, you choose which effect from this class to create.
You regain one use when you finish a Short Rest, and you regain all uses when you finish a Long Rest. If a Channel Divinity effect requires a saving throw, the DC equals the spell save DC from this class's Spellcasting feature.

Divine Sense As a Bonus Action, you can open your awareness to detect Celestials, Fiends, and Undead. For the next 10 minutes or until you have the Incapacitated condition, you know the location of any creature of those types within 60 feet of yourself, and you know its creature type. Within the same radius, you also detect the presence of any place or object that has been consecrated or desecrated, as with the Hallow spell.

Peerless Athlete As a Bonus Action, augment your athleticism. For 1 hour, you have Advantage on Strength (Athletics) and Dexterity (Acrobatics) checks, and the distance of your Long and High Jumps increases by 10 feet (this extra distance costs movement as normal).

Inspiring Smite (3)

Immediately after you cast Divine Smite, you can expend one use of your Channel Divinity and distribute Temporary Hit Points to creatures of your choice within 30 feet of yourself, which can include you. The total number of Temporary Hit Points equals 2d8 plus your Paladin level, divided among the chosen creatures however you like.

Shield Master (4)

Shield Bash If you attack a creature within 5 feet of you as part of the Attack action and hit with a Melee weapon, you can immediately bash the target with your Shield if it's equipped, forcing the target to make a Strength saving throw (DC 8 plus your Strength modifier and Proficiency Bonus). On a failed save, you either push the target 5 feet from you or cause it to have the Prone condition (your choice). You can use this benefit only once on each of your turns.

Interpose Shield If you're subjected to an effect that allows you to make a Dexterity saving throw to take only half damage, you can take a Reaction to take no damage if you succeed on the saving throw and are holding a Shield.

Extra Attack (5)

You can attack twice instead of once whenever you take the Attack action on your turn.

Faithful Steed (5)

You always have the *Find Steed* spell prepared. You can cast the spell once without expending a spell slot, and you regain the ability to do so when you finish a Long Rest.

Aura of Protection (6)

You radiate a protective, unseeable aura in a 10-foot Emanation that originates from you. The aura is inactive while you have the Incapacitated condition. You and your allies in the aura gain a bonus to saving throws equal to your Charisma modifier (minimum bonus of +1).

Aura of Alacrity (7)

Whenever an ally enters your Aura of Protection for the first time on a turn or starts their turn there, the ally's Speed increases by 10 feet until the end of their next turn.
