SNEAK ATTACK

Sneak Attack

You know how to strike subtly and exploit a foe's distraction. Once per turn, you can deal an extra 1d6 damage to one creature you hit with an attack roll if you have Advantage on the roll and the attack uses a Finesse or a Ranged weapon. The extra damage's type is the same as the weapon's type.

You don't need Advantage on the attack roll if at least one of your allies is within 5 feet of the target, the ally doesn't have the Incapacitated condition, and you don't have Disadvantage on the attack roll.

The extra damage increases as you gain Rogue levels, as shown in the Sneak Attack column of the Rogue Features table.

Cunning Strike

When you deal Sneak Attack damage, you can add one of the following Cunning Strike effects. Each effect has a die cost, which is the number of Sneak Attack damage dice you must forgo to add the effect. You remove the die before rolling, and the effect occurs immediately after the attack's damage is dealt. If a Cunning Strike effect requires a saving throw, the DC equals 8 plus your Dexterity modifier and Proficiency Bonus.

Poison (Cost: 1d6) You add a toxin to your strike, forcing the target to make a Constitution saving throw. On a failed save, the target has the Poisoned condition for 1 minute. At the end of each of its turns, the Poisoned target repeats the save, ending the effect on itself on a success.

To use this effect, you must have a Poisoner's Kit on your person.

Trip (Cost: 1d6) If the target is Large or smaller, it must succeed on a Dexterity saving throw or have the Prone condition.

Withdraw (Cost: 1d6) Immediately after the attack, you move up to half your Speed without provoking Opportunity Attacks.

Improved Cunning Strike

You can use up to two Cunning Strike effects when you deal Sneak Attack damage, paying the die cost for each effect.

Devious Strikes

The following effects are now among your Cunning Strike options.

Daze (Cost: 2d6) The target must succeed on a Constitution saving throw, or on its next turn, it can do only one of the following: move or take an action or a Bonus Action.

Knock Out (Cost: 6d6) The target must succeed on a Constitution saving throw, or it has the Unconscious condition for 1 minute or until it takes any damage. The Unconscious target repeats the save at the end of each of its turns, ending the effect on itself on a success.

Obscure (Cost: 3d6) The target must succeed on a Dexterity saving throw, or it has the Blinded condition until the end of its next turn.
