All weapons, All armour, Shields.

Racial Features

Celestial Resistance. Resistance to Necrotic damage and Radiant damage.
Darkvision. You have Darkvision with a range of 60 feet.
Healing Hands. As a Magic action, you touch a creature and roll a number of d4s equal to your Proficiency Bonus. The creature regains a number of Hit Points equal to the total rolled. Once you use this trait, you can't use it again until you finish a Long Rest.
Celestial Revelation. You can transform as a Bonus Action using one of the options below once per Long Rest. The transformation lasts for 1 minute or until you end it (no action required). Once on each of your turns, you can deal extra damage equal to your proficiency bonus to one target when you deal damage to it with an attack or a spell. The extra damage's type is either Necrotic for Necrotic Shroud or Radiant for Heavenly Wings and Inner Radiance.
-Heavenly Wings. Two spectral wings sprout from your back temporarily. You have a Fly Speed equal to your Speed.
-Inner Radiance. Searing light temporarily radiates from your eyes and mouth. For the duration, you shed Bright Light in a 10-foot radius and Dim Light for an additional 10 feet, and at the end of each of your turns, each creature within 10 feet of you takes Radiant damage equal to your Proficiency Bonus.
-Necrotic Shroud. Your eyes briefly become pools of darkness, and flightless wings sprout from your back temporarily. Creatures other than your allies within 10 feet of you must succeed on a Charisma saving throw (DC 8 plus your Charisma modifier and Proficiency Bonus) or have the Frightened condition until the end of your next turn.

WEAPON MASTERY

Cleave

If you hit a creature with a melee attack roll using this weapon, you can make a melee attack roll with the weapon against a second creature within 5 feet of the first that is also within your reach. On a hit, the second creature takes the weapon's damage, but don't add your ability modifier to that damage unless that modifier is negative. You can make this extra attack only once per turn.

Topple

If you hit a creature with this weapon, you can force the creature to make a Constitution saving throw (DC 8 plus the ability modifier used to make the attack roll and your Proficiency Bonus). On a failed save, the creature has the Prone condition.

CHANNEL DIVINITY

Channel Divinity 3

Each time you use this class's Channel Divinity, you choose which effect from this class to create.
You regain one use when you finish a Short Rest, and you regain all uses when you finish a Long Rest. If a Channel Divinity effect requires a saving throw, the DC equals the spell save DC from this class's Spellcasting feature.

Divine Sense As a Bonus Action, you can open your awareness to detect Celestials, Fiends, and Undead. For the next 10 minutes or until you have the Incapacitated condition, you know the location of any creature of those types within 60 feet of yourself, and you know its creature type. Within the same radius, you also detect the presence of any place or object that has been consecrated or desecrated, as with the Hallow spell.

Nature's Wrath As a Magic action, you can conjure spectral vines around nearby creatures. Each creature of your choice that you can see within 15 feet of yourself must succeed on a Strength saving throw or have the Restrained condition for 1 minute. A Restrained creature repeats the save at the end of each of its turns, ending the effect on itself on a success.

Abjure Foes 9

As a Magic action, you can expend one use of this class's Channel Divinity to overwhelm foes with awe. As you present your Holy Symbol or weapon, you can target a number of creatures equal to your Charisma modifier (minimum of one creature) that you can see within 60 feet of yourself. Each target must succeed on a Wisdom saving throw or have the Frightened condition for 1 minute or until it takes any damage. While Frightened in this way, a target can do only one of the following on its turns: move, take an action, or take a Bonus Action.

CLASS FEATURES

Spellcasting 1

Spell Slots You regain all expended slots when you finish a Long Rest.
Changing Your Prepared Spells Whenever you finish a Long Rest, you can replace one spell on your list with another Paladin spell for which you have spell slots.
Spellcasting Ability Charisma is your spellcasting ability for your Ranger spells.
Spellcasting Focus You can use a Holy Symbol as a Spellcasting Focus for your Paladin spells.

Lay on Hands 1

You have a pool of healing power that replenishes when you finish a Long Rest.
As a Bonus Action, you can touch a creature and draw power from the pool of healing to restore a number of Hit Points to that creature.
You can also expend 5 Hit Points from the pool of healing power to remove the Poisoned condition from the creature; those points don't also restore Hit Points to the creature.

Weapon Mastery 1

Your training with weapons allows you to use the mastery properties of two kinds of weapons of your choice with which you have proficiency. Whenever you finish a Long Rest, you can change the kinds of weapons you chose.

Paladin's Smite 2

You always have the *Divine Smite* spell prepared. In addition, you can cast it without expending a spell slot, but you must finish a Long Rest before you can cast it in this way again.

Great Weapon Master 4

Heavy Weapon Mastery. When you hit a creature with a weapon that has the Heavy property as part of the Attack action on your turn, you can cause the weapon to deal extra damage to the target. The extra damage equals your Proficiency Bonus.

Hew. Immediately after you score a Critical Hit with a Melee weapon or reduce a creature to 0 Hit Points with one, you can make one attack with the same weapon as a Bonus Action.

Extra Attack 5

You can attack twice instead of once whenever you take the Attack action on your turn.

Faithful Steed 5

You always have the *Find Steed* spell prepared. You can cast the spell once without expending a spell slot, and you regain the ability to do so when you finish a Long Rest.

Aura of Protection 6

You radiate a protective, unseeable aura in a 10-foot Emanation that originates from you. The aura is inactive while you have the Incapacitated condition. You and your allies in the aura gain a bonus to saving throws equal to your Charisma modifier (minimum bonus of +1).

Aura of Warding 7

Ancient magic lies so heavily upon you that it forms an eldritch ward, blunting energy from beyond the Material Plane; you and your allies have Resistance to Necrotic, Psychic, and Radiant damage while in your Aura of Protection.

Aura of Courage 10

Ancient magic lies so heavily upon you that it forms an eldritch ward, blunting energy from beyond the Material Plane; you and your allies have Resistance to Necrotic, Psychic, and Radiant damage while in your Aura of Protection.

Radiant Strikes 11

Your strikes now carry supernatural power. When you hit a target with an attack roll using a Melee weapon or an Unarmed Strike, the target takes an extra 1d8 Radiant damage.

Restoring Touch 14

When you use Lay On Hands on a creature, you can also remove one or more of the following conditions from the creature: Blinded, Charmed, Deafened, Frightened, Paralyzed, or Stunned. You must expend 5 Hit Points from the healing pool of Lay On Hands for each of these conditions you remove; those points don't also restore Hit Points to the creature.
